GENERALS

- *System of cooling: Semi-conductor, airflow and water cycle integrated Chiller TEC Cold System
- *Crystal Sapphire
- *Parameter Display Touch Screen 10.4" LCD
- *Input Power 2200 W
- *Power line AC220V, (+-22V, 50-60Hz +- 1HZ)
- *Security System: Power Start Safety Button and Emergency Stop Bottom
- *Certificates: CE and ROHS
- *Accessories Professional Safety Goggles and User Safety Goggles

MACHINE WEIGHT AND MEASURE

- Wide: 32cm
- Deep: 36cm
- High: 76.5 cm
- Weight 49 Kg
